Online Survey for Business & Industry Feedback Closing Soon! 23rd March 2009

Mildura Development Corporation (MDC) is continuing the transition from Sunraysia Mallee Economic Development Board by commencing their Strategic Planning Process.

As part of their consultation with local business and industry, MDC have in place an online survey that they would like as many as possible to complete.

The survey seeks to understand what the community sees as the main drivers of growth in the local economy, and to find out what the new Economic Development organisation can do to assist business and industry during challenging economic times.

Anne Mansell, MDC Chief Executive Officer said "The survey is only one part of our consultation process. In conjunction with Mildura Rural City Council we facilitated a Business and Industry Forum and we are continuing to meet with business enterprises and organisations across the municipality to determine opportunities for business growth".

The survey will run until 5pm on **Wednesday 25th March**, and can be found at: <http://directory.milduraregion.com.au/SurveyFull/TakeSurvey.asp?SurveyID=3LM383K35o25G> or click on the link on Mildura Development Corporation's homepage www.milduraregion.com.au
